

WOODEN BOAT ASSOCIATION OF NSW NOMINATION FORM FOR THE HAL HARPUR AWARD

The Association generally presents the award each year to the person(s) who in the past 12 months has completed a project which best contributes to our objectives of encouraging the retention of traditional wooden boat building skills and the preservation of historical wooden boats and artifacts. The award is a perpetual trophy named after one of the Associations founding members, the late Hal Harpur. The requirements and rules governing the award can be found on the back of this form.
